

Report on One Day Training Program
URBAN PEST TECHNICIAN TRAINING AND CERTIFICATION
October 25, 2023

One-day training program entitled URBAN PEST TECHNICIAN TRAINING AND CERTIFICATION was held on October 25, 2023 at the SARC premises in collaboration with PPMA (Pakistan Pest Management Association) for the purpose of sharing knowledge and advance technologies to various pest company representatives, fostering growth and innovation within the industry.

The event was graced by the esteemed presence of the Dr. Zakir Hussain Dahri (Director General-SARC) as a Chief Guest. Mr. Ashraf Sattar Adamjee (President PPMA), and organizing committee contributed significantly.

The training sessions were expertly led by distinguished professionals, including by Dr. Qazi Mehmood (Director IPI, OURAU), Dr. Amjad Pervaiz (Ex. DG SARC, Director VPCI), Dr. Amjad sultan, Dr.Tariq Rajput and Ms. Memoona Nawaz(SO-VPCI) sharing insightful views enlightening the intricacies of Urban Pest Management and advanced fumigation techniques to all participants. Dr. Fahim Akbar, (Chairperson Department of Agriculture and Agribusiness UoK) join us as an honorary guest, further adding to the significance of the event.
